Dear Parents/Carers,

We are very excited to inform you that we will be taking part in the Bulls in the City project this year. Bulls in the City is a larger than life sculpture trail that will be available for all families to go and experience around Birmingham city centre from July 2025. They are working with Birmingham Hospice to raise money for the incredibly important work that they do. Birmingham Hospice supports people living with a terminal illness to improve their quality of life, as well as supporting their families and loved-ones. We have supported this charity at Bells Farm in the past and we are very passionate about continuing that work. For more information about what this charity does please see their website www.birminghamhospice.org.uk

There will be 40 bulls on display in Birmingham. However, there will be an additional 80 calves that will have been designed by schools and community groups. We are very excited to have been accepted as one of these schools. Our mission is to design a 'calf' which will join the parade. We will begin our design project from March and more information about this will be sent out nearer the time.

In order for our school to keep the calf that we have designed after the art trail is over, we will need to raise at least £1000 for the Birmingham Hospice charity. To do this, we will run a number of fundraising projects in school.

On Friday 14th March we will be holding a sponsored event. This event will be a very exciting 'Bull Run' where children will run through an inflatable assault course as well as other various obstacles. The details of the course will be shared with the children in school and then from this the children will decide what target time they are going to set themselves to achieve the course in.

Attached to this letter is a sponsorship form. Please could you encourage family and friends to sponsor your child in completing the course in the time they have set for themselves. All sponsors, big or small, will be gratefully received by Birmingham Hospice and hugely beneficial in helping us achieve our £1000 target.

Once your child has completed the event, we will then ask that all your sponsor money is paid into our Just Giving page that we have set up for this event. The website details are www.justgiving.com/page/bellsfarmprimaryschool. It is very important that it is paid into this specific page as otherwise it will not count towards the Bells Farm fundraising total. Please can all sponsor money be paid into this Just Giving page by Friday 21st March.

If you have any queries or concerns about your child taking part in this event then please come and speak to me on the door.

Kind regards,
Mrs Moore
Assistant Headteacher
