11th February, 2022.

Dear Parents / Carers,

I am looking forward to joining the children, parents/carers and staff this afternoon for our fortnightly Star Assembly. This week we will be celebrating the fantastic efforts displayed by the following children:

Y6 – Shona N and Oliver B
Y5 – Havana H and Yan Joy C
Y4 – Dora H and Zi Yan Z
Y3 – Sam K and Amudha B
Y2 – Thomas S and Erin T
Y1 – Joshua M and Freya K
Reception – Daisy B and Joseph L
Sports stars – Olivia S and Shriya R

Well done to all of these hardworking children for showing the best of themselves this over the past two weeks.

COVID messages

Just as we near the end of the half term, things are starting to settle down with the COVID situation in school, with just 3 cases overall in the last week. We wish all those affected a speedy recovery and hope to see you back in school next week. As you may know by now, the government has plans to lift restrictions and we will be meeting and working with other schools to see what that means for us at the start of next half term.

Parents' consultations

Just a reminder to book your slot - booking will be open until Monday at 12.00. It will be a good chance to catch up on your children's progress. Don't forget that Mrs Stoiber is not having separate booking slots at this point for children with SEN as she is already regularly in touch with parents and carers, but if you need to speak to her about anything then just call the school office or let us know on the gate and she will contact you to arrange a chat.

Polling Day

This year we had not planned to have the school building used as a polling station due to the huge disruptions with closures over the past few terms. However, as the electoral office have struggled to find a suitable alternative, we have agreed to go ahead as in previous years. This means that the school will be closed to most classes on **Thursday 5th May**. However, children in years 2 and 6 **must** attend on this day due to the closeness of the SATs tests. For year 2, these take place at various times throughout May and for year 6 SATs week commences **Monday 9th May**. We will contact you closer to the time with arrangements for drop off and pick up to ensure that the children remain separated from the voting area access.

Parent Governor

We are pleased to welcome one of our year 3 parents, Mrs Palwasha Fawad to the Governing Body as our latest Parent Governor. Mrs Fawad will join us for our next meeting in March and we very much look forward to welcoming her to the team.

Those are the main messages for the week, so please have a very happy and safe weekend.

Kind regards,

Barbara Butterworth
