4th February, 2022.

Dear Parents / Carers,

After our peak COVID situation in school I am happy to report that we have had no new cases reported over the past two days. We have dropped from 27 children isolating due to the virus by the end of last week, to just 5 today.

Please keep being cautious – it isn't over as we all know! A reminder that if your child has a completely clear LFD test on days 6 and 7 (day 1 being the day after symptoms started, or the day of the test if there were no symptoms), you can send them in after 7 days as long as they are well and showing no symptoms. We would continue to prefer 10 day isolation as we cannot predict any peaks in the future, but we will leave this with you if your children are well and showing those all important clear LFD results.

Onto other news now – thankfully!

Swimming in years 3 and 5

This is an early alert that these classes will be having weekly swimming lessons from the start of the summer term on Thursday mornings – Y3 for the first half term after the Easter break and Year 5 the second half term. We will be sending plenty of reminders closer to the time but just to give you a chance to get swimming costumes ready. The pools don't allow Bermuda type shorts so just a heads up when you are kitting out the boys.

Parents' consultations

Just a reminder to book your slot - booking is open now until Monday 14th February. It will be a good chance to catch up on your children's progress. Mrs Stoiber is not having separate phone calls at this point for children with SEN as she is already regularly in touch with parents and carers, but if you need to speak to her about anything then just call the school office and she will ring you back if not immediately available.

Enjoying our learning... aiming for excellence.

Y6 homework club

We have had quite a few children sign up for this but so many more children would really benefit from this extra support time as we are working hard towards the SATS which take place week commencing 9th May. Please let us know via email or the app – this will be held every Friday in the Y6 classroom from 3.15 – 4.15 pm.

Safer Internet Day

On Tuesday 8th December, the Digital Council will be supporting the children in school with reminders about keeping safe online during National Safer Internet day. We are very proud of our council in keeping these important messages going, and look forward to seeing their parents join us for the Digital Council online assembly.

Those are the main messages for the week, so please have a very happy and safe weekend.

Kind regards,

Barbara Butterworth
