

The Witch

The Old Witch has a frizzy old hair and she has eyes like poisonous berries.

The old Witch has a disgusting yellow coloured teeth. She wears a black, hat and she has a nose pointed like a sharp tip of a pencil. The Wicked Witch has her red nails pointed very sharp and has horrible claws. She also wears a brown, furry cloth.

The Wicked Witch smokes a dirty,old clay pipe. She lives in a dead trunk tree decorated with bones. She is an evil wicked and mean witch because she stole the sack of happy endings which made all of the children cry which means she is horrible. Also she dances crazily in the room.

The Witch eats the top of the bird's heads or drinks her favourite tippel of poisonous berry juice.
