Key questions for discussion:

How can we promote online safety in school?

- Mention it in every lesson rather than just online safety lessons
- Make posters sharing issues
- Share information via newsletter
- Group talks in classes
- Assembly
- Plan for safer internet day (11th February)
- Suggestions list in media centre and online safety activities

Could we make posters for the media centre/to share with classes?

Agreed! Havana has already made one which she gave to Miss Williams.

What needs to be included in this term's online safety newsletter?

- Dangers of sharing personal details and not talking to strangers online
- Using apps and games you are allowed to in school
- Using games or apps with friends and checking they are real friends - Amudha
- Blocking and reporting if you see something upsetting online - Tanatswa
- Popups and issues to be reported to adults (or Childline)
- Advertise online safety poster competition - Havana
- Age rating on apps – Dylan and Zach
- How to make a good password (and change/keep it secret) for online use – Alexie and Jessica
- Dangers of hacking – Max and Dora

Our next meeting is on Tuesday 10th January where we will discuss plans for safer internet day.
