My teacher thinks:

Learning Objective: To complete the Bear Hunt story

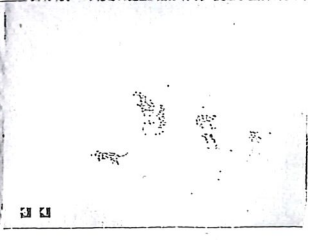

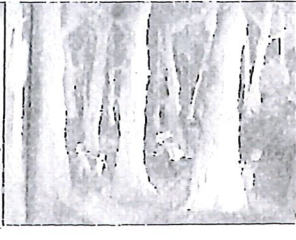

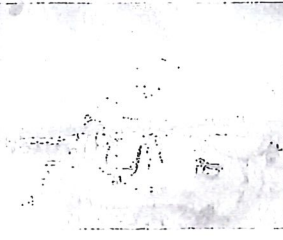

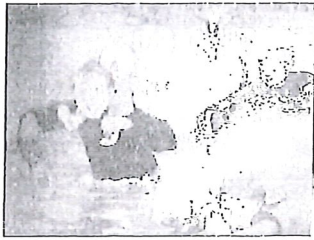

The family are going on
a bear hunt they are
going to catch a big one.

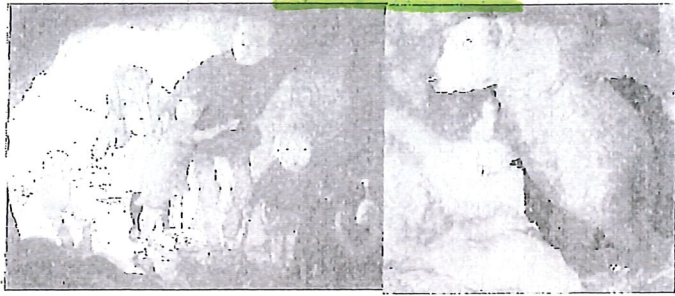

They went through the wavy
grass.

~~They are going~~
~~There is a bear~~ You repeated yourself

They are swimming through
the river. They are
going through the thick oozy
mud. They are going through
the dark forest. They are
~~trying~~ thinking to go through

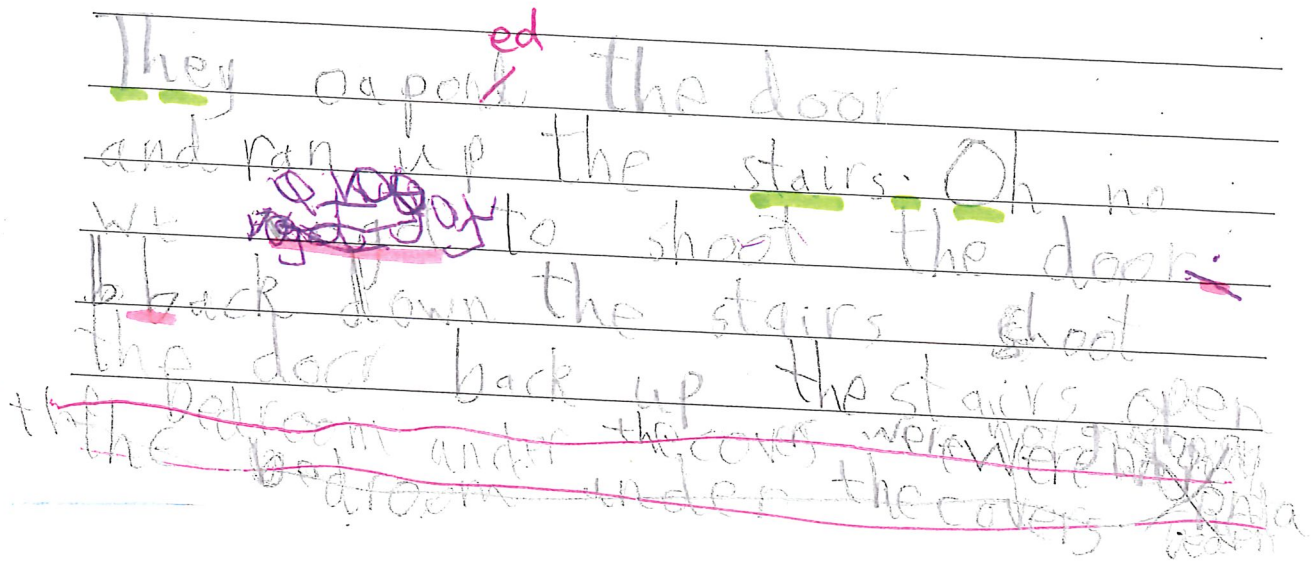

the swirling
whirling
snow day

They are tip toeing into the cave.
It is a bit dark in here. 😊

What's that one shiny wet nose.
two big curly ears two big googly
eyes. Ah it's a bear!

They ran quickly back to home.
There home.

~~The~~ door under the covers:
were not going on a bear hunt
ever a gen.
