**Kings Heath Sports Partnership Boys 5 a side Football**
**Tuesday 12th October 2021**

On Tuesday 12th October 2021 we took part in the Kings Heath Sports Partnership Boys 5 a side football competition. We played 4 games during the evening – winning 2 games and losing 2. Unfortunately, we didn't progress to the semi-finals following a very close qualifying stage. We played well after a long break from competition due to Covid restrictions and very much enjoyed our return to football. Mr Gill was proud of our attitude, determination and good team spirit.
