Dear Debby

The Trustees of Birmingham Christmas Shelter would like to send a special thank you for responding to our Christmas Harvest Appeal by getting the parents and children of your school to donate an amazing amount of groceries and treats for us this year. We were able to keep our Tea Hatch and Snack Bar well stocked during the week.

I am attaching a report on how things went overall, that clearly shows what we achieved this year.

Our guests tell us how much they appreciate having Shelter Week and knowing that people like you care about their welfare.

Thanking you again for your support.

Yours sincerely
