Dear Parent / Carer,

As we approach the end of the first term, I would like to take this opportunity to thank you for your continued support. There was a wonderful community feel at our Christmas Fayre last week showing once again what a special place Bells Farm is. We raised over £800 and are awaiting a final total to include the raffle. This is just INCREDIBLE! Thank you for joining us and thank you to all the staff who gave up their time to support this successful event.

It was also wonderful to see so many of you at our Christmas performance today and yesterday. The children performed so beautifully and it was lovely for them to have such a packed audience. They made us so proud with their wonderful singing and the confidence with which they performed was truly outstanding. It was enjoyed by everyone and by far our best one yet!

You can see photos and videos of the performance and the raffle winners on our school website.

Year 6 Police Workshop

On Monday, Y6 received a visit from West Midlands Police to talk about the dangers and consequences of knife crime.

The police discussed the age of criminal responsibility, the importance of being safe and what to do if they felt unsafe and the impact of knife crime. Year 6 learned about the importance of being observant and knowing your location using the "What3words" app and were recommended to download this.

All the children were very mature, responding sensibly and asking thoughtful questions. Miss Edwards, Mrs Johnson and Mrs Hudson were very impressed with the information that was presented and the children's response. There is further information on crime prevention on the West Midlands Police Website.
