Behaviour for Learning: Independence

Value Word: Tolerance

Dear Parent / Carer,

Attendance

Here are our attendance figures for each class:

Swans – 93%

Puffins – 99.1%

Toucans – 97%

Bluebirds – 95%

Robins – 93%

Kestrels – 99.2%

Eagles – 92%

Puffins and Kestrels both won a roll on Classopoly! We do expect our attendance to drop with chickenpox doing the rounds! Please remember, if your child has a temperature, please do keep them off school until they are well again.

Young voices

Last Friday, children from Year 4, 5 and 6 went to young voices at the NEC and had the most wonderful time! There was a three hour rehearsal(!) before the concert but the children had such a wonderful time that it flew by. Thank you to those parents who came to support this exciting event – the children loved looking out to try and find you! The sound of over 5000 children singing together was incredible.

If you haven't yet looked at the photos on our school website, then please do: [Bells Farm Primary School](#) Their faces were a real picture as we entered the enormous arena! We also have video clips of them singing and enjoying themselves to our YouTube channel which can be found here: [Bells Farm Primary - YouTube](#) Everyone had a wonderful time (despite the extremely late night!) and the children are still talking about it now!

Snack

*Children in Reception, Y1 and Y2 receive free school fruit for a snack in their morning break. Children in year 3, 4, 5 and 6 may bring a **healthy** snack from home. This can be a piece of fruit, a cereal bar or a small biscuit snack. We have reminded the children this week that crisps, sweets and chocolate bars are not appropriate snacks for break time.*

Enjoying our learning... aiming for excellence.

Curriculum Information

You have already been sent a class newsletter along with Knowledge Organisers for Science, History and Geography that will be covered this term. You will find lots more information on our school website about what your child will learn in all the subjects this term. Our full curriculum maps can be accessed here: [Curriculum – Bells Farm Primary School](#)

FUNdraising

We are just about to order new chairs for Year 1 and Year 3 following our successful fundraising in the autumn term – THANK YOU! We hope to continue with our efforts in order to complete these two classrooms with new tables also by the end of this year.

Parent Questionnaire

Attached to this email you will find the results of our parent questionnaire completed in Autumn 2025. The comments were overwhelmingly positive – thank you so much. As always, if you feel anything hasn't been addressed do come and have a chat. We want everyone in our school community to feel as happy and satisfied with Bells Farm as the parents who commented so positively in the questionnaire!

New Menus

Thank you to those parents who always book their child's lunch – it really helps! If you are sent a reminder from Pauline in the school office, please do go onto the school app and book up until the end of this half term.

After February half term, we will have new menus with some old favourites as well as some new options. We do regularly discuss menu choices with the children and have tried to ensure there is something for everyone. Once these menus are live, we would suggest you book the first 3 week cycle so you can discuss with your child how they got on before booking more.

Reminders

- Your child should be wearing black school shoes or boots or **plain** black trainers.
- Children need a full PE kit in school for their PE days.
- If you are late collecting your child from school they will be placed in After School Club and you will be charged for this. If you are late collecting from ASC, you will receive a fine. It is vital parents contact ASC as soon as you know you will be late. It isn't fair on staff or children when this happens unexpectedly. Call the school number 0121 675 8666 and choose extension 212.
