Bluebirds – 96%

Robins – 99%

Kestrels – 96%

Eagles – 96%

Well done to Robins!

Sports Day

Thank you so much to those parents who managed to join us for our sports day yesterday. It was really pleasing to see so many members of our school community come and enjoy such a special day with their child. It was also lovely to receive so many positive comments from parents regarding how well organised it was and how smoothly it went. These comments are invaluable feedback and much appreciated by staff who work hard to ensure children have a wonderful time at events such as these.

Thank you for your cooperation with parking. This was the first event during my time as Headteacher where we haven't had complaints! Next year, we will open the back gates to make access easier for you... at least we all got our steps in!

I know it isn't always easy to be free to attend these events so I have taken plenty of photos and put them on the school website. Please do have a look at the fun they all had!

Workshops

You will have received a paper copy of our workshop letter yesterday. Please do fill in this form stating whether you will be able to attend or not. It is extremely important we know how many parents will attend so we can ensure we have enough resources available with it being a creative workshop.

If you are unable to attend, then your child will still complete the creative activity in the hall with their class. This is another reason why we need to know how many adults will join their children so that we can plan for school adults to be available to support those children with the activity. If you haven't yet returned this form then please do so as soon as possible.

Summer Fayre

You will have received a letter earlier in the week regarding the Summer Fayre which is taking place after school today. This morning, we were informed the inflatables would be arriving first thing today and therefore decided to offer you the opportunity to send your child in with £3 so they can use them during the school day. We were not expecting them this early and so wanted to offer it as we do expect queues may be quite large later today. It will also mean we have a little more control about the age range as the children can go on with their classmates.

Here is a list of activities your child will be able to take part in if you are joining us from 3:45:

Bouncy castle £3 for five minutes (siblings under five allowed)

Obstacle course £3 for five minutes (siblings under five not allowed)

Snacks, ice lollies and drinks £1

Hook a duck 50p

Beat the goalie 50p

Teacher topple 50p

Rabbit throw 50p

Chocolate hoops 50p

Basketball shootout 50p

Tattoos 50p

Nails 50p

Obstacle course 50p

Tombola £1 for five tickets

Teddy tombola £1 for five tickets

Book sale items priced between 20p and £3

Please try to bring as much change as possible as we will only have limited floats in School. The fair will go on until around 5/530 depending on how busy we remain.

Reminders

- Your child still needs to have their PE kit with them in school right up until we break up please as PE lessons will continue as normal. Teachers will send them home once they have had their last PE lesson.

- Come and join our next coffee morning on Wednesday 9th July which is themed around emotion coaching, emotional regulation and sensory needs from the Educational Psychologist and Communication and Autism Team.
- Our Y6 leavers assembly will be on Friday 18th at 9:05. Each child may have a maximum of 4 guests attend. We will record the dress rehearsal/performance and put it on our YouTube channel for you to share with wider family and friends. Reception, Year 1 and Year 2 will watch the dress rehearsal as it will give us more room in the hall for parents on performance day. If siblings want to watch it again on the Friday, they will be given the option to do so.
- Y6 parents please remember to return your reply slip to Miss Edwards about the party.

Kind regards,

Miss Williams
Headteacher
