FUNdraising

We have now almost finalised our FUNdraising events for the rest of the year. I have added some dates to the calendar below this week and will add the rest next week. We have all the old favourites as well as some new ones which we hope everyone enjoys.

New Menus

The first two weeks of our new menus are now available for you to book via the school app. We will be able to add the third week next week meaning you can then book as far in advance as you would like to. Please remember you must book your child's lunch every day. There have been a lot of 'no bookings' recently for the same children. We would really appreciate your cooperation with this as it really does impact on learning time.

School App Payments

As we are getting to the end of the financial year, it is really important for school that all payments are up to date. We are currently owed nearly £400 for unpaid Breakfast Club bookings and nearly £2000 for unpaid After School Club bookings! We are also owed for school lunches. Mrs Kimberley (finance) is returning on 4th March to close down the financial year and we would really appreciate it if all owed payments could be made before this date.

Bells Farm's Got Talent

We are delighted to inform you that Bells Farm's Got Talent is returning for 2026! This will run the same as it did last year. The children have some time to work on their acts before we run internal auditions for the show in school on the run up to Friday 27th March when the big show will happen! We will once again have governors judging so they are impartial and we will record all the acts that make it to the final show to share on our YouTube channel with parents.

Kind regards,
Miss Williams
